

For your patients' convenience, provide them with this information to be given to their pharmacist when filling their KRISTALOSE prescription.

## KRISTALOSE<sup>®</sup> Ordering Information For Your Pharmacist

Should your pharmacy not yet stock Kristalose, this information will help the pharmacist place an order for the medication your doctor has prescribed. Your pharmacist should know that Kristalose is a unique formulation and **is not AB rated** to any other lactulose laxatives and **should not be substituted**.

Pharmacists should use these NDC's when ordering:

Kristalose <sup>®</sup> (lactulose)	Cumberland NDC
10 GM / packet 1 carton of 30 packets	66220-719-30
20 GM / packet 1 carton of 30 packets	66220-729-30

Pharmacists should use the following assigned order entry numbers when ordering Kristalose from their wholesaler:

Wholesaler	Kristalose 10 GM Order Entry #	Kristalose 20 GM Order Entry #
McKesson	1799139	1802487
AmerisourceBergen	406405	406538
<i>* When 7-digit # required</i>	4964094 (*)	4964102 (*)
Cardinal	3805488	3805504
Kinray	573-881	573-899
North Carolina Mutual	092809	092817
HD Smith	104-3421	104-3462
Morris & Dickson	699967	699975
